WORK EXPERIENCE

- Private Chefs of Beverly Hills-Food Network- Associate Producer 9-10-10-10

Worked in the story department to help complete episodes of this reality cooking show.

- America's Next Top Model-CW- Logger/transcriber 5/10-8/10

Logged and transcribed footage for the reality television program "America's Next Top Model."

- The 25th Anniversary of the Rock and Roll Hall of Fame-HBO- Researcher 9/09-11/09

Researched footage and images for this live concert and television special. Assisted the creative director with photo landscapes. The landscapes, a combination of images and animation, were displayed on a large screen behind performances by Stevie Wonder, Metallica, Bruce Springsteen and others.

- Jimmy Kimmel Live-ABC- Researcher 5/09-12/09

Researched and pulled comedy clips that aired on Jimmy Kimmel's opening monologue. Also provided material for the segment "Unnecessary Censorship."

- Howard Stern Channels-Sirius Satellite Radio/Sirius XM- Contributor 2006-Present

Performed and produced multiple song parodies that aired on Howard Stern's morning show as well as his radio stations Howard 100 and Howard 101. Will be featured on radio show host Red Peter's holiday special for the third consecutive year in December, 2009. Samples: <http://www.poochradio.com>

- The American Comedy Network/ The Daily Comedy Network- Writer 2007-Present

Wrote song parodies and bits for these radio show prep services that provide comedy for radio stations nationwide.
